MRS. ED. F. WARREN, Principal.

Principal.

It you have never used Carter's Little Liver Pills, go at once to the nearest drug store and set a vial. They will surely please you. Fon't forget this. let people know of the Garden of Eden of other states to come and share our blessings with us, to come and secure happy homes and princely fortunes; it is through the columns of the paper that we | The Weekly Gazette is now only \$1.00 will tell them of the fertile lands to be a year; and will in future contain besides had for the asking, of the warm, sunny the latest news from all parts of the

and health-giving climate that we have world, Talmage's sermon, a fashion here, of the beautiful clear streams that and household department, most reliable territory, of the new town; spring-the most popular authors will be a weekly ing up as if by magic and their testure. wonderful growth into magnificent cities, of the improvements going on in the loo not forget to and to your freking water. different towns, among which we can demende or soda tor drops of Antostura Bit mention Beaver, Benton, Alpine, Cief. Lake, Rothwell, Boyd, Grand Valler, get the gentine Angostura. Fulton Springs, Neutral City, Eagle City, Hardesty, Optima and Mineral City. It is through the columns of the paper that

is large as Delaware, with a population of 146 608, and has 1011 square miles more than Connecticut, with a population of 622,700, and has more good farming land tion than all the states named together. The Neutral Strip will experience the

greatest boom ever known in the boomg west this fall. Every town will claim assed by none, and by December every choice claim along the streams or within a number of miles of a town will be most of the places by the front foot, instead of by the block, and claims will sell for hundreds of dollars it in a good locanon. Everything goes to show that such Il be the case, and there is no reason way such should not be the case. Eastern Kansas has had less rain this season than we have had, and immigrants are not going to stop there and pay fancy prices for land when they can come a little fartner west and get just as good land

by locating upon it. The following bill has been prepared Senate by Senator P. B. Plumb of Kansas, and in the House of Representatives by Hon. S. R. Peters of the Seventh Con-

gressional district of Kansas. to extend the laws of the United States

States of America in Congress assembled, that the laws of the United States, except those providing for pre-emption, timber culture and desert land entries of the public lands, and section 2801 of the Revised Statutes of the United States, providing for the commutation of homestead to pre-emption entries are hereby extended over the unorgansized territory south of the states of Kansas and Colorado, and between the Indian Territory and the territory of New Mexico, and north of Texas, known ST. MARY'S SCHOOL FOR GIRLS, Estab.

Solve the public land strip: and that for the purpose of the execution of said laws said public land strip is hereby created a land district and is attached to the judicial district of Kansas; and the subdivis-

ional lines of townships in said public land strip may yet be surveyed under current appropriations for the surveying at twenty-two, prime minister at twentyservice, and work to be done under the OAKLAND, ILL., Aug. 8 .- A veritable direction and supervision of the Secretary
